About Global Knowledge

Build a career where learning never stops. Global Knowledge is one of the largest independent IT and business education providers in the world, and we're looking for energetic professionals to join our award-winning team.

Global Knowledge builds the people, that organizations need for their next chapter — in IT, engineering, and business — and stands behind whether they can actually do the work. For 30 years, we've helped teams navigate every major technology shift, from client-server to cloud to AI, backed by a global network of 900+ real-world experts and delivery in 150+ locations worldwide.

We work where capability isn't optional — financial services, healthcare, federal and defense, telco — wherever organizations are investing in AI, cloud, and security, we build the people who put it to work. Join us to help write that next chapter.

The Opportunity:

The Senior Cybersecurity Trainer & Consultant leads the delivery of advanced, vendor-official and customized cybersecurity programs for enterprise and government customers across MEA and beyond. The role combines expert-level instruction with consulting in offensive security, defensive operations (SOC, DFIR, threat hunting), and GRC, and acts as a subject-matter expert for presales and the trainer team.

What You Will Own

Key Responsibilities

- Deliver advanced official and customized programs from CompTIA, EC-Council, ISACA, ISC2, CSA, and national frameworks (e.g., NCA) – in-person and remote
- Design and build customized workshops, content, and labs based on customer requirements and skill gaps
- Provide on-demand consultancy: VAPT, incident response planning, threat hunting, SOC build/maturity, GRC, BCP/DRP
- Act as SME for presales: scope customer requirements, recommend learning paths, support proposals and BOQ mapping
- Coach, mentor, and certify junior trainers; review delivery quality and lab readiness

- Represent the company as a speaker at conferences, webinars, and customer events
- Maintain high customer satisfaction across multi-country, multi-cultural audiences
- Stay current with threat landscape and course version updates; keep instructor credentials active

Training Portfolio to Deliver

- EC-Council: CEH, CPENT, CHFI, ECIH, CSA, EDRP, CCISO
- CompTIA: CySA+, PenTest+, SecurityX (CASP+)
- ISC2: CISSP, SSCP, CCSP
- ISACA: CISA, CISM, CRISC
- Customized programs: SOC Analyst, Threat Hunting, Malware Analysis, DFIR, Red/Blue Team, cyber-drills & CTF

What You'll Bring

Required Qualifications

- Bachelor's degree in Computer Science, Engineering, IT, or related field (Master's is a plus)
- 8+ years hands-on cybersecurity experience (10 years preferred) across offensive, defensive, and GRC domains
- Minimum 4-5 years delivering certified technical training to enterprise/government customers
- Proven experience in at least two of: penetration testing, SOC operations/management, digital forensics & incident response, malware analysis, threat hunting, GRC
- Experience with international customers (GCC, Africa, Europe) and multicultural audiences
- Fluent English and Arabic; additional languages are a plus
- EC-Council Certified Instructor (CEI) and/or CompTIA CTT+ with multiple authorized courses
- CEH, CHFI, ECIH, CySA+, PenTest+, SSCP/CISSP (at least 3)

Preferred Qualifications

- CISSP, CISM, CISA, CRISC, OSCP, CPENT, GIAC certifications

What We Offer

- Competitive compensation and comprehensive benefits package.
- Professional growth and development opportunities.
